

Exciting Career Opportunity with leading Meat/Food Company.

The Company: Irish Country Meats is the specialists sheepmeat division of Slaney Foods Group with operational locations in Camolin, Co Wexford, Navan Co Meath and Liège Belgium. The group has established market positions in Ireland, U.K. and mainland Europe, servicing retail, foodservice, wholesale and manufacturing customers within our market range. A talented and committed workforce at Irish Country Meats is crucial to our ongoing success. In all area of our business, we seek to employ people who are passionate about their area of expertise and who seek to deliver the highest standards.

The Role: To facilitate the continuing growth and development of our business we are seeking to appoint a Quality Control Technician to join our existing team. Based in our head office Camolin, Co Wexford this is an excellent opportunity for the right candidate to develop their career in an established and very successful food processing company.

Quality Control Technician

Key responsibilities:

- Help to develop the internal audit scope with regard to customer and country requirements and internal procedures. Maintain the internal audit schedule.
- Design and improve internal audit process and records and contribute to the development of the internal audit function.
- Evaluate effectiveness and adequacy of internal controls, prepare audit reports with findings and recommendations for the senior management team.
- Monitor the timely close out of non-conformances as a result of the internal audits conducted.
- Participate in site visits and audits.
- Complete traceability exercises for customers as requests are made.
- General administration duties within the Quality Department.
- Carry out adhoc projects as assigned.

The Candidate: The successful candidate will ideally have a number of years experience in a similar role in the meat and/or broader food sector with a proven track record of delivery and meet the following specific criteria;

- Good knowledge of the BRC, Bord Bia and TFMS standards would be an advantage.
- Internal audit experience with strong attention to detail.
- Demonstrate an energetic, self-motivated and flexible approach in all matters.
- Strong IT skills are essential. Excellent communication and presentation skills.
- Ability to travel.
- Be efficient and highly organised.
- Direct meat experience would be advantageous.

Salary: The remuneration package on offer will reflect the importance of the role and the experience of the successful candidate.

If you are interested in a career with a progressive, innovative Irish food company and if you feel that you have the experience and competencies consistent with the demands of this position please forward your CV and a cover note detailing the position you are applying for.
